

## Hello in many languages

This page shows equivalents of 'hello' or similar general greetings in many languages. It also shows how to say ['hello' on the telephone](#), if there is a different way of doing so.

Guide to abbreviations: inf = informal, frm = formal, sg = singular (said sg), dl = dual (said to two people), pl = plural (said to three or more people), rsp = respectful form, m = said by men, f = said by women
