

Songs by Simon Ager

The Elephant Song

[D] There's a matter we must discuss
But I don't want to make a [A7] fuss
It's an issue we must address
But I don't want to cause any [D] stress.

[D] There's an elephant in the room
You've noticed, I [A7] assume
She's rather large and grey
And getting in the [D] way.

[D] It's so obvious to me
Oh why you can't [A7] see
We need to sort this out
And there's no need to [D] pout!

[D] Now the elephant's in the hall
Painting pictures on the [A7] wall
Of dragons and ships and trees
And great big bumble[D]bees.

[D] We must find a way
We can't let her [A7] stay
I'll go and call the zoo
To see what they can [D] do

[D] Now the elephant's on the stairs
Playing scrabble with the [A7] bears
Who live under chairs
And like to wear blue [D] flares.

[D] The zoo say they can give her
A nice place to [A7] stay
And we can go and see her
And we never have to [D] pay.

[D] Now the elephant's in the zoo
Making friends with the kanga[A7]roos
And delighting all the kids
By juggling dustbin [D] lids.
